DEDICATION

SHENANDOAH COUNTY SCHOOL BOARD

BIRCHELL S. HILTON

ALVIN A. LUTZ

Schools like other institutions must have leaders. We are fortunate in having two outstanding men to head our county and local system.

Our county leader has the big job of seeing that all schools are operated according to the requirements of the State Board of Education. He directs all policies and activities pertaining to county schools.

Our local leader has a more intimate job in relation to pupils and teachers in his own school. He is the connecting link between our school and the county system.

These two men have rendered an invaluable service to their community, state, and nation.

To our Superintendent of Schools, Mr. Birchell S. Hilton, and our Principal, Mr. Alvin A. Lutz, we respectfully dedicate this annual for 1949-1950.

Edinburg High School

There were a number of privately owned schools in and around Edinburg over a period of years after "The War Between the States"; but it seems that the first public school was established here in 1876 and the construction of the building was largely financed by a public lottery.

This building was a frame building, well built, and stood on the hill above the Edinburg Garage. The orginal building was about 54ft. x 60 ft. and contained four rooms, though only three were used for several years. In 1914 four more rooms were added. This building was used continuously until 1933 when the present building was occupied. The old building was later torn down and used by the County School Board for repair work in the county.

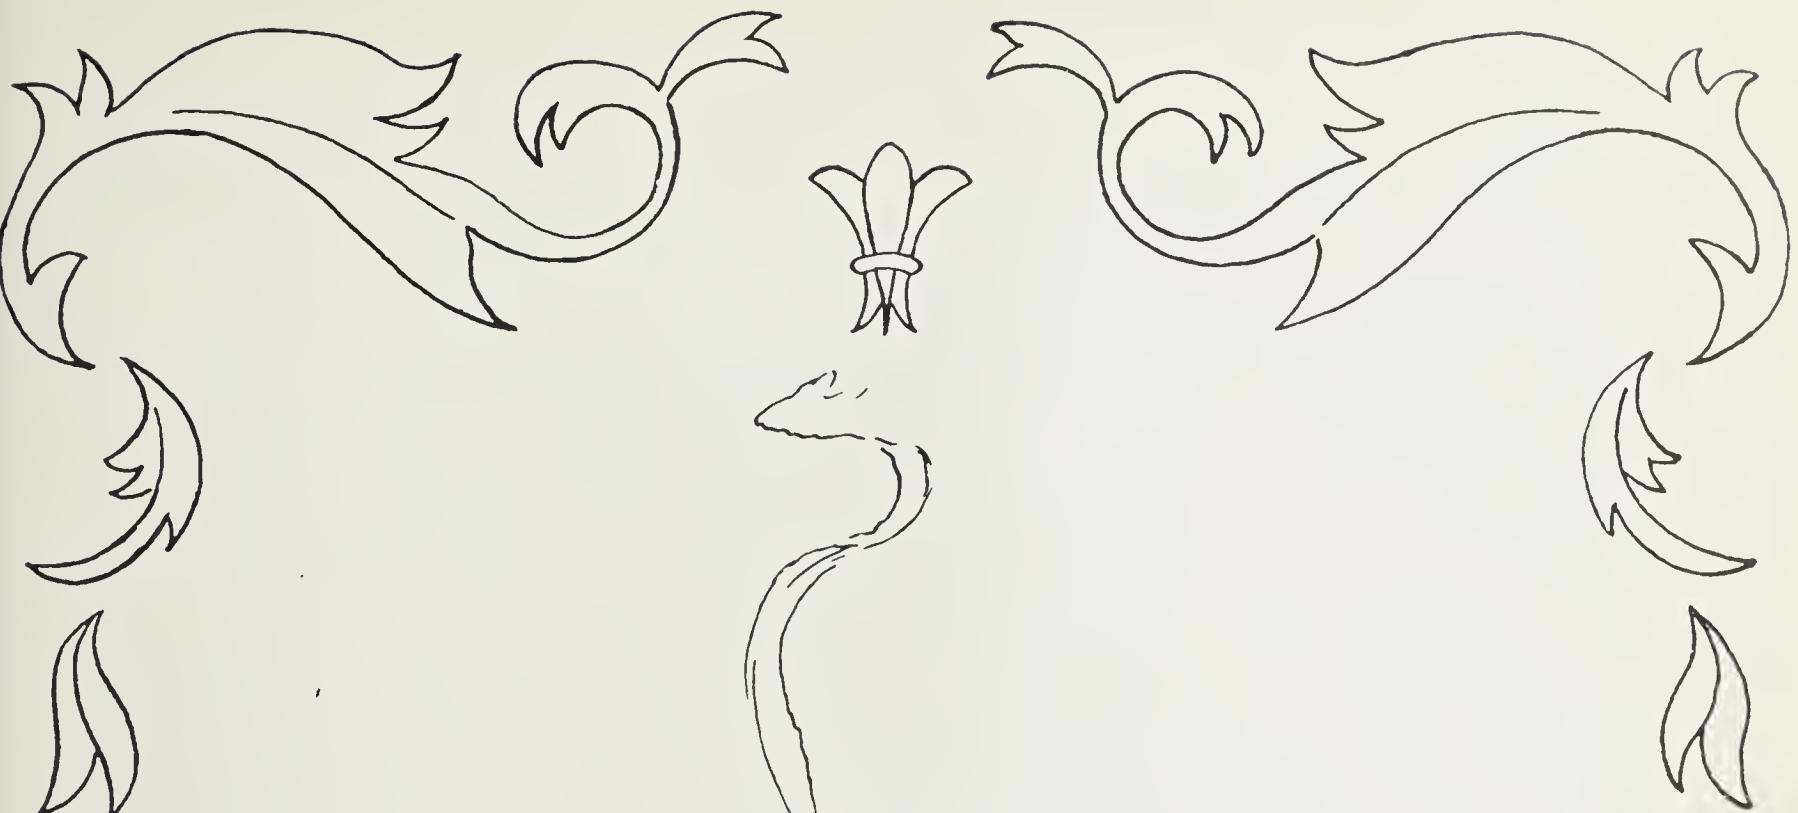

The school session of 1876-1877 was under the direction of William H. Miller, Principal; P. Kibler, First Assistant, and Mrs. B.B. Coates, Second Assistant. The program was divided into three grades, the first being the highest. The trustees of the school were: Samuel Smucker, President, Samuel M. Lantz, and Joseph Comer. A total of 163 pupils were enrolled.

A great deal of credit for fine teaching on the part of a very estimable gentleman who made a deep impression upon the lives of those whose privilege it was to come under his influence belongs to the late Professor J. Monroe Hottle who conducted private classes for a number of years. There are still a number in the community who have through the years reflected the thoroughness of his teaching and the high standards of living he sought to inculcate among his students.

The present school building was constructed in 1932-1933 and was the first of the high school buildings to have a gymnasium. Since the first session of 1933-1934 in the new building the school has expanded and all the "chicken house" has been converted into class rooms. A new and complete agricultural and farm shop building was built in 1943-1944. In addition to the student classes we now have the farm machinery repair classes, junior farm group, and veterans' classes.

The high school department was established in 1906 with Mr. C. V. Shoemaker as principal. The community, we feel, has a right to feel proud of the graduates of the school over the period of years since the first class of 1909. Many have made good in the professions and above all its graduates have contributed toward a richer living and a higher standard of citizenship.

Those who have served as principals of Edinburg High School are: C.V. Shoemaker 1906-1910; R. M. Irby 1910-1911; S. G. Coe 1911-1915; R. E. Muzy 1915-1916; M. C. Hollingsworth 1916-1917; F. W. Cook 1917-1918; J. Worth Pence 1918-1919; M. C. Hollingsworth 1919-1921; C. C. Haun 1921-1922; E. R. Reidel 1922-1928; O. J. Zeigler 1928-1929; M. L. Dellinger 1929-1930; Miss Nellie Nevitt 1930-1931; Alvin A. Lutz 1931-

SCHOOL FAIR

The annual school fair which was sponsored by the Student, Co-operative Association, was held on November 3rd and 4th. The fair is a two-day event which helps to promote better relationship between the community and school. It consists of exhibits from the classrooms, clubs, and community. For entertainment the S. C. A. sponsored a "Baby Show" on the afternoon of the 3rd.; "Variety Show" on the night of the 3rd.; and a "Beauty Contest" on the night of the 4th. from which "Miss Edinburg" was chosen. On the morning of the 4th. the exhibits were judged and first and second prizes were given.

VALENTINE PARTY

The Dramatic Club sponsored the February school party to celebrate the holiday, St. Valentine's Day. The gymnasium was beautifully decorated in red and white for the occasion. The outstanding event of the evening was the crowning of the "Queen of Hearts", Miss Evelyn Bowers, by the principal of E. H. S.. During the course of the evening many games were played that brought hearty laughter from one and all. The club served candy, cup cakes with inch-thick divinity frosting, and punch. The next thirty minutes were spent conversing, eating, and drinking, after which a very enjoyable evening came to an end.

JUNIOR PLAY

On a cold snowy night of March 16th., the Junior class held their play "Sound Your Horn" by Howard Reed. Due to the bad weather the play was again presented on March 20th. Under the able direction of Miss Virginia Coffman and with the co-operation of the members of the cast and class, the three-act comedy was a great success.

MAY DAY

The annual May Day program was held May 4th. with Miss Evelyn Bowers, Queen, and Miss Maxine Stephens, Maid of Honor. A colorful pageant was presented in honor of the Queen and her court. Before the program a parade of floats, the school band, fire trucks, and five-pointers was witnessed by crowds of people who lined the streets of Edinburg.

BIRTHDAY PARTY

The annual birthday party, sponsored by the Student Co-operative Association, was held on the afternoon of March 9, 1950. The party is given to celebrate everyone's birthday and there was a gaily decorated table to represent each month of the year. September, October, and January tables were the ones selected as the best decorated. Songs appropriate to each month were sung after which cup cakes with a lighted candle in the center, ice cream, and cokes were enjoyed by all.

Elementary School

The elementary school opened the 1949-1950 session with an enrollment of 329 and ten teachers. There were nine Texas children in the grades for the first three months.

Every room in the grades entered an exhibit in the school fair and most of them won a blue or red ribbon.

Miss Betsy Preston, a student at Madison College, conducted vocal music classes in each room each week; and Miss Marjorie Lehman, another Madison student, conducted rhythm band classes in the first and second grades. Those from the grades who were members of the school band were: Sue Rhinehart, Harry Murray, Ronny Rhinehart, Gary Carter, Abie Dorton, Wayne Carper, Elmo Mantz, Harold Hollar, Richard Shutters, Shirley Polk, Peter Craig, Brooklyn Bowers, Damitra Cook, Audrey Richman, and Iva Cook. Marjorie Sheetz of the second grade was in the violin class. Miss Betty Barrick, A Junior in high school, coached a baton group consisting of Lois Thompson, Peggy Bowers, Janet Jones, Phyllis Polk, Phyllis Hoover, Dawn Didawick, Beverly Younger, Bobbie Jean Wightman, Barbara Sue Kline, and Paula Kline.

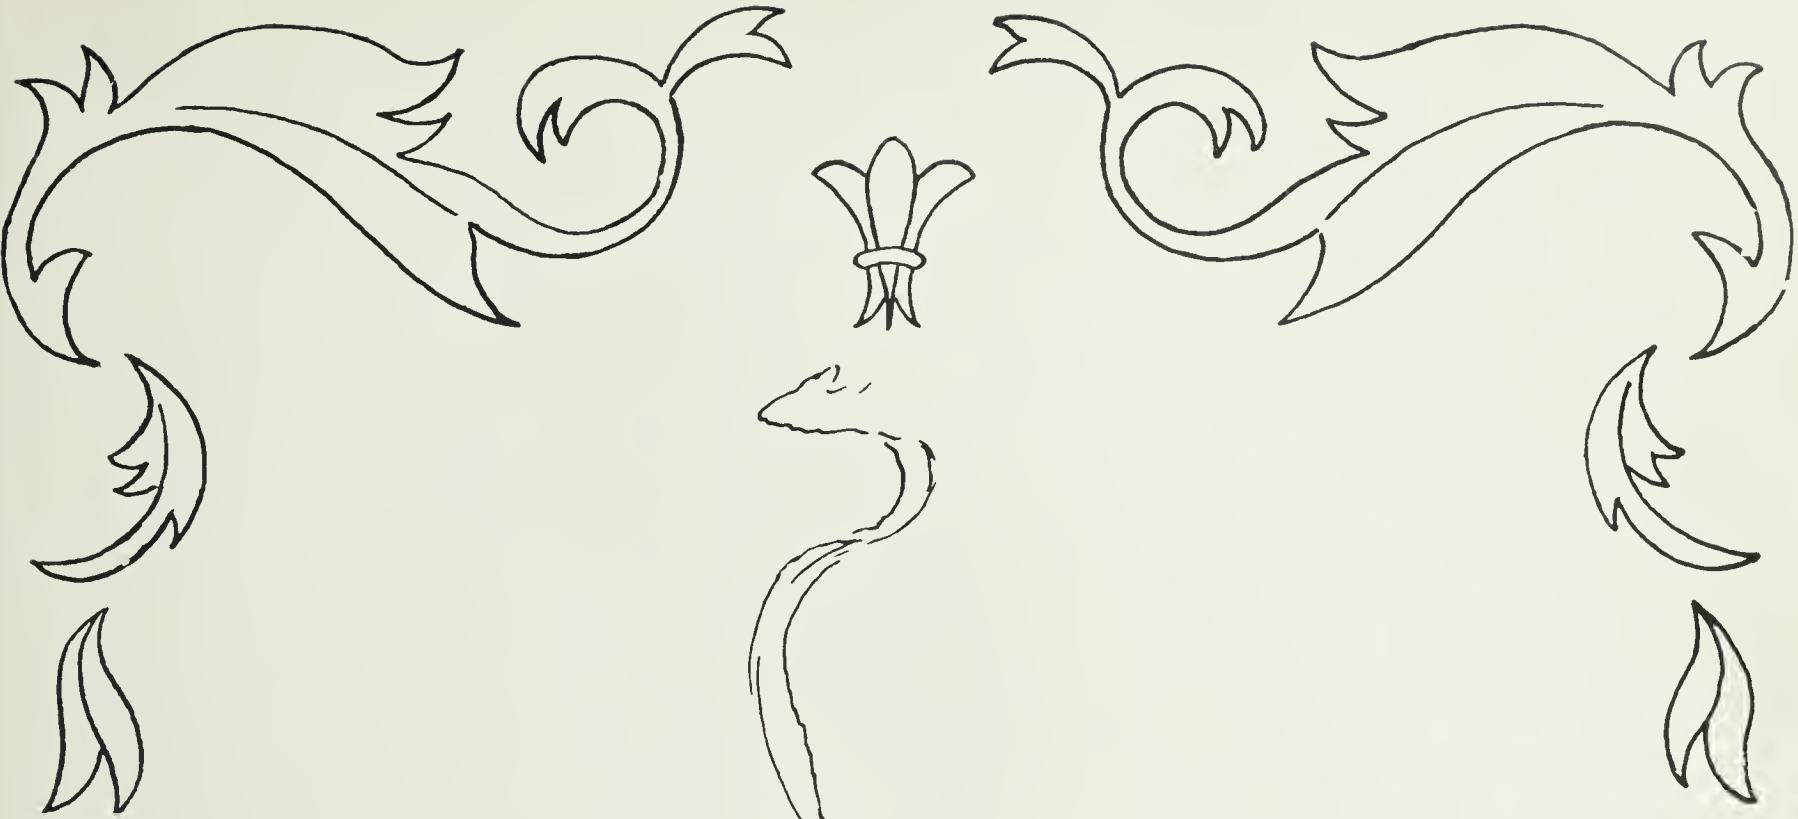

All the children contributed very generously to the Junior Red Cross, T.B. Seals, March of Dimes, and the White Christmas.

The grade children participated in the May Day program and the school music festival. The various holidays were celebrated by a social time in each room.
